Remarks:

Indorsement on roll shows: "The prisoners whose names are
borne on this roll have made written application as well as verbal,
for the privilege of taking the oath. I have examined these men
and the remarks placed opposite their names are the same as
given by the men. Neither of these prisoners have any special
claim for the privilege of taking the oath and I am inclined to
believe that many of them are governed by the last influence
brought to bear on them & many would if placed under the same
then, make good returns."

to ground his resignation.

We do hereby certify that we have carefully examined

on the 15th day of July 1864. While in an engagement
with the enemy at Pontotoc Miss. While attempting to ride

internal viscera, from the effects of which he has never re-
covered. Capt. Gendron is fifty years of age. We therefore
recommend that his resignation be accepted.

Herewith I enclose the

Major Sumner has the reputation

Accompanying the
an application for promotion, from my
present position, to that of a Colonel of
Regiment, based upon the following facts:
I was Surgeon in the United States Army, serving
in the 2nd Regiment of Iowa, four years
of which term, I served in Africa, eighteen
months in Prince. Having gone through the
entire Mexican War, I was decorated, with all
the different medals, given to soldiers, during
that Campaign for meritorious conduct. I have
been twenty five months in the Army of the
United States, as Adjutant of the 1st Ohio
Heavy Regt. from 25th December 1860 to
10th June 1861, as Major 10th La. Regt. from
10th June 1861 to 1st January 1862, and
resigned, because of a severe attack of illness
after returning from Mexico, and as
Adj't of Col. Pierce from 13th February 1862
to March 8th 1862, and resigned, and left as

a Volunteer, with the ninety day troops that
left New Orleans, I was in the Battle of Shiloh
and had two horses killed under me, and was
made a subject of special mention, in a report
of Genl Beauregard. I then served as a
Volunteer during the Bombardment of Vicksburg
in June last. I then left for with the troops
for the attack upon Baton Rouge La and had
my horse severely wounded, in three different
places, during the battle. I was commissioned
Major and A. A. G. in the 1st September 1862
Commandant of Camp of Instruction of Cash
Louisiana. On the 25th October 1862, I was
appointed by Genl Grant to the position of
Adj. to take command of Cash and on the
1st November 1862 was ordered to take the
Post of Marshall. This place, now being
in Genl Grant's hands, it being necessary for an
officer of a higher grade, than that of
Major, to command, and being thoroughly
acquainted with the Country surrounding the
Post, the only leading troops to be sent
here to relieve my application for promotion
to a Colonel of Cavalry.

Camp of Instruction
Camp Moore (La.)
December 7. 1862.

Co. Genl S. Cooper
Adj^t Inspector Genl.

Richmond, Va.

I would beg
leave to submit this my report for camp of instruction
at Camp Moore (La.) up to the present date.
I received orders to relieve Maj. Pickett on the 25th October
1862 and entered immediately upon the discharge of my
duties. Maj. Pickett up to the time of being relieved
by me, had no conscripts in camp, nor did he transfer
any other circulars, telegraphic dispatches &c. I immediately
occupied myself in organizing the camp, in having
enrolling officers, surgeon & commissary appointed, also
in having detached a company of cavalry for gathering
the conscripts. I was but regularly organized to com-
mencing on the 15th November 1862. Since which
time I have enrolled (134) one hundred and thirty four
conscripts (35) thirty five of whom were sent to the 22^d
Regiment Va. & 9th as per order of Secretary of War. (22)
thirty five discharged for disability. (30) discharged as being
sick by him, (5) five deserted, (1) one dead, 5 five now
in camp & (8) sixteen allowed to enroll themselves
voluntarily, in conformity with an order from Secretary of

now dated November 11th 1862, authorizing those persons who come from the enemy's country, and pass their paroles, so to do. I have now recruiting officers in all the parishes of Eastern Louisiana, except those in possession of the enemy. I have fifteen parishes to recruit from, of which the enemy occupy the parishes of Orleans, Jefferson, St. Charles, St. Bernard and Plaquemine, which necessarily compels my abandoning those parishes. Also, it is extremely difficult and hazardous to recruit in the parishes of Ascension, St. James, St. John Baptist and East Baton Rouge by reason of the constant plying of the enemy's gunboats up on the Mississippi river, by which those parishes are bordered and by the constant and many incursions they make by land, in those parishes. There seems to be a general desire to evade the act of conscription and in numerous cases, are they only brought in by force.

The Authority granted to Brig. Gen. W. R. R. Beall, commanding 3^d District in this department to enroll and muster in conscripts, will necessarily lessen the aggregate number of conscripts to be received at this camp. I believe he has received into his command many and is still so doing, the number I find impossible to state. I confidently expect to enroll and place in this camp from one thousand to twelve hundred conscripts, being the total number, after deducting the parishes which I have heretofore named as being impossible to

recruit in. I have every reason to believe that when persons, residing in New Orleans subject to conscription, learn that it is the policy of the administration to allow them to volunteer, in whatever company they think proper, there will be some two thousand who will make their exit.

All of which is respectfully submitted

I would respectfully ask a (30) Thirty
days leave of absence, for the following reasons, viz:

1st I have just received a letter from my Mother
(dated ^{France} ~~Perigueux~~ May 15th 1864) announcing the
death of my father in France during the month
of May last. My mother's letter is addressed to a friend
of mine & says therein that they had not received any
news from me since two (2) years, & that from all
presumption that I have been killed in the war.
My father leaves a large estate to be divided between
my brother & sister, & it is absolutely necessary for me
to send my procuration authenticated by a French
Consul, & send authorizing my brother to act in my
name. If that procuration does not reach France
in six (6) months, from the date of my father's death,
I am exposed to lose all my property.

I will respectfully observe that at the fall of the city
of New Orleans all my property in the city was
confiscated by Genl. Butler, & that moreover most
nearly all my wife's property was either destroyed
or stolen by Grierson in his raid through the State.

2nd I am a Frenchman, & I have been one of the first
to join one of the Foreign Companies organized in N. O.
in the month of December 1861, & since that time
I have always been in the field (in active service.)

I have now had but two leaves of absence, one of
15 days to go to Richmond of Official Business &
the other of 30 days was based on Surgeon's Certificate.

3rd I am now unfit for duty as will be seen by the
Surgeon's Certificate.

I am Colonel
Very Respectfully,
A. Dumontelle.

 My Dear Mother
 I have just received your letter of the 19th inst. and am
 glad to hear from you. I am well and hope these few lines
 will find you the same. I have not much news to write
 at present. I am still in the city and am engaged in
 some business. I have not yet received your letter of the 18th
 inst. but it will be sent in a few days. I am
 sure to have the Surgeon's Report

Col. Company 1st Cavalry

Head Quarters 11th Co. Calvary Regt
Camp near Crystal Springs
Feb 5 1863.

To. Major Genl E. R. Lee
Commandg Calvary 3rd
Div.

In conformity to the order
on you on my arrival here I called on Col Logan & learned
his views concerning the organization of the 11th Co. of
Calvary Regt. - I immediately went to work to ascertain the
number of unattached ^{companies} now in this Command & ascertained by Col
Logan I have arrived at the following conclusions that ten (10)
unattached companies are now in this Command - they are
the following: viz. Rhodes' this company is very close to
joining my Regiment - part of Capt Cochran's company
& Officer (Lt Allen) & 23 men - the Capt & balance of men are
at present detached here. From information received I am led
to the belief that Capt Cochran has been elected Major in some
Regt of the 9th Mass. Inf. Department his men having all enlisted
in some Command in that Department - I think it would be
advisable that Lt Allen, Commandg remnant of said Co, be ordered
to report to me for duty, being certain of getting said Co. soon
that time two recruiting officers having been attached to our
Regt & full authority having been given me by War Dept to
recruit recruits. - Capt Jno. B. Cage & Gonzales. Commandg
unattached companies in this Command.

By order (Commanding a company belonging to Mike Logan) by
of Col Logan, issued in order to consolidate all unattached
companies. Capt. Case was elected Major of the Battalion thus
formed. It is acting as such but without having been either
commissioned or authorized to do so by the War Dept. - Said
companies (being only temporarily attached
to the 1st) should be considered as unattached and they are
not to be ordered to report to me for duty -
Col Logan's Command there are more two small Batt^{ns}
Major Garland's Battⁿ consisting of 3 Companies com-
manded respectively by Capt. Lucien Harrington & Thomas
The Battalion which ought to have at least 225 men, is
very old & strong, serving greatly reduced numbers on
account of discharges to Commanding Officer. - Having opinion
that you are not desirous of joining any Command, but all
are willing to do so & I am sure have repeatedly
been ordered to do so. It is therefore to be ordered to do so
and should they be ordered to report to me -
Major Stockdale's Battⁿ composed of 3 Companies
commanded respectively by Capt. Norman, Ferrell
Hosmer (Stockdale's old company) - these 3 Companies
are unattached & are conforming to orders from Col Logan
have been consolidated into a Battalion (in full rank) &
Capt. Stockdale elected Major. -
I am respectfully calling your attention to the fact
that the 1st Battalion of the 1st Regt of the 1st Div.

the War Department authorized and to organize
from any & all unattached companies. In this & the
Law.

Major Stockdale has been acting Major since
consolidation but from information received by me
at the War Dept. the organization of the
the new commissions.

Major Stockdale being unable to appear & being
sick by his illness, I think it would be for the
the good of the service, that said organization of the
Battⁿ be recognized by you & ordered to report to me for
duty in which case the Major would be entitled to the
rank he now holds.

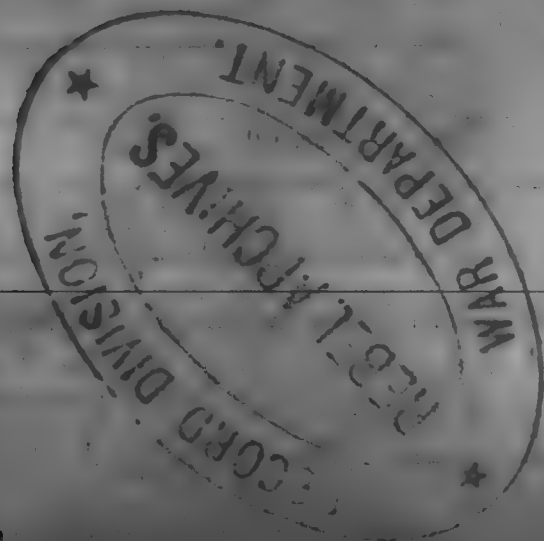

Should the two above named Batt^{ns} be ordered to
report for duty it would necessitate an election for
(there being 3 Majors - Garland & Stockdale) & I have not
smaller doubt but that they will be elected
be elected: - An organization as the one above mentioned
could satisfy all demands - it would in that event be
as follows: viz Capt. Rhodes' Co. - Lt. Allen's Co. - Capt. Case's
Gonzales' Co. - Garland's Battⁿ - Stockdale's Battⁿ.

In conformity with instructions received from you, and
have been dispatched to Capt. Butler at Cornington, with
instructing previous order to report to me & instructing him
continue the duties he is now performing. -
It being that at a later date will soon be better informed.

disposition. I remain.

General

I am fully aware that in obeying the promptings of our own feelings we frequently trespass on the time & attention of those who can ill spare their attention withdrawn from more important duties, yet even at the risk of being subjected to this charge I hold you good opinion in such high regard that I have presumed to trespass on you, to explain in part some of the reasons which have induced me to resign the Office of Chief Clerk in the 14th Regt. Inf. Calvary.

When secession took place it fell to my province frequently to address the People, urging them to an active & united support of the rights of the South when the trumpet of War was sounded. I used what influence I had to induce the young to rally to the standards of their Country in the dark hour of our Cause, after the fall of New Orleans I felt it my duty though I was 56 years old to endeavor by example to induce others to come to their Country's aid. Thus actuated, in the spring of 1862 I raised a Battalion of Mounted men in August of that year put them in the field until the middle of last September I was their Commander with the rank of Major. Most of that time I was attached to the Army of Gen. Thomas & saw the pride & satisfaction to know that I enjoyed the confidence of my Commanders both State & Federal. On the 10th

of last Sept my Battalion with Regt Batt & some
other Companies were Consolidated into a Regt of Plains
and Col & Dumontie & being the ranking Major of
Cavalry not only in the new Regt but in this section I was
made ~~Senior~~ Colonel. - Mine was the only Regt of Cavalry
in this section that was raised by its Commanders all
the others had been formed by the consolidation of
independent Companies. - While I feel conscious that
I was induced to enter into active service alone by a stern
sense of duty for I had long since tasted too much of
Civil Office to be captivated by that of Major or Colonel
yet when one who had seen no service in this country
except the easy birth of Lincolns Office, who had brought
no soldiers in the field & who was not to the manner born
was thrust over my head I felt it as a reflection upon
either my capacity or my fidelity. - And I have placed
under an Officer, who by service ranked me, if other circum-
stances justified my remaining in the service I should
have been contented. - To serve my Country was the great
object I had in quitting a Home endeared by as many happy
remembrance by as many comforts as usually fall to the lot
of man, & entering upon active service, when through my
Country took from me the Command of the men that I had
brought into the field & whom I had commanded for nearly
eighteen months it was at once saying to me, your services
are not wanted & needed. - The Regt of which my Regt
forms a part has as yet not been brought together. - My
Battalion & skeleton Company is all that has so far been
under Colonel Dumontie. - A sense of duty has induced

me to retain office thus long, until I should be satisfied
of the favorable result of the operations in Tennessee &
that I should have time to familiarize my Regt to its
new Commanders. - A service of two months under Col
Dumontie has satisfied me that our views of duty
are so dissimilar that we could never harmonize &
demanding that duty, no longer demands my services
in the field I have felt at liberty to resign.

In addition I have a large family, who claim my
attention. - The schools & colleges in this section are all
closed & my sons are growing up without any education &
while I prefer Public to Private education yet the great
importance of cultivating their moral perceptions &
intellectual faculties demand that I should give a
portion of my time to so important an object. - & further
important consideration is that it is my duty to thieve-
assured my family the comforts of life. - While I
may be blessed with enough of worldly goods to satisfy
the reasonable wants of my family yet with myself
the closest bond in the Army, there is no one to attend
to gathering together those things which are necessary
for their comfort. - The promptings of my heart as
well as a sense of duty, require that I should return
to a Home endeared to me by any tie that can gladden
the heart & is surrounded by all those appliances that
contribute to ease & comfort. - Influenced by these
considerations & prompted by these feelings I have turned
my resignation & trust that there will be no objection
to its acceptance.

On returning from active service in the field I shall not cease to labor equally as assiduously for the cause of my Country. - Whatever of talent or influence man has will be employed to cultivate a healthy line of feeling among the People & to impress them with the true truth that all their other children live in the future are bound up in the success of our Cause. -

The anxious solicitude which I have felt for a
good opinion of one who fills so large a space in
his country's glory & with whom nature has given
me the proud privilege of claiming relationship
will I hope plead my excuse for thus trespassing
on you with a matter ⁽¹⁾ that is entirely personal.

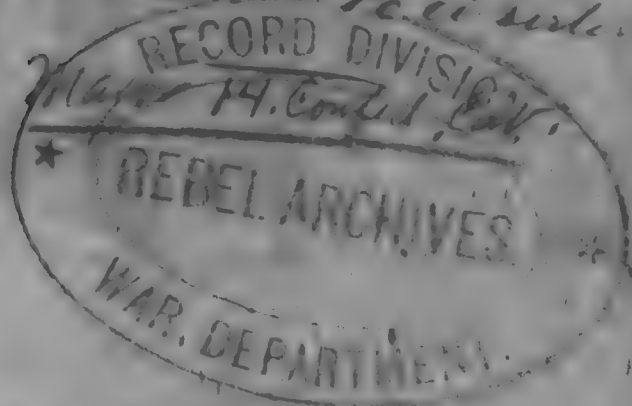

Permit me to mingle with thousands of others
in wishing you every blessing.

I am, Sir, Obediently
Yours truly,

Having this day tendered the immediate & unconditional resignation of the Office of Lieut Colo of the 14th Regt Confd Cavalry which I now hold, I most respectfully ask leave of absence until my application shall have been acted on by the War Department.

Permit me to say that about 18 months ago I raised & sent into the field a Regt of mounted men than have been in active service as their Commander during that time. - I am now near 58 years old & my age admonishes me that I must leave the active duties of the field to younger men. In addition I have a large family, whose education & necessities & comfort demand my constant attention. Having met my duty to my Country in its darkest hour, I hope now in its brightening day I may be permitted to seek that rest & meet those duties which my age & my family require.

I am Very Respectfully

Yours most obed

Dear Sir,
I request Maj. H. H. Garland be confirmed

General

I have the honor to enclose Genl
Orders No. 109, organizing two Regiments
of Cavalry and request the approval of the
War Dept. I found it impossible to organ-
ize Col. Dumontiel's Regt. 14th Confederate Cav-
alry under Special Orders No 109 from your
office as five of the Companies, Cochran's
Hagis, Warrick and Smiths belonged to or-
ganized Regts. Two of the Companies McRae
and Bunnell are detached. Col. Dumontiel
stated to me that it was the intention of the
War Dept that his Regt should be organized
from detached Companies and under this
statement I deemed it to the interests of the
Service to organize his Regt as in the order
enclosed. I found the Cavalry which had
been operating in the vicinity of Port Hudson
had been organized into Battalions
by Genl. Gardner's orders and in organizing
the two Regiments have nominated for
field officers the officers of the Battalions, as
it was thought their instrumentality that the

troops were raised. In Col Dumont's Regt
Major Garland is the senior of Major Cagle
but as Major Cagle is the best officer of the
two I have announced him as Lieut Colonel.

Dumont's Regt as organized is that two
companies and I ask authority to accept
two companies to complete it. Dumont's
should have been organized before Willbourn
but by the assignment of Pickens, Ballouin
to Willbourn I was able to organize a Mps
Regt and produce harmony among the
officers. Colonel Willbourn has the reputation
of being an excellent officer.

General

In my communication of the 17th inst
transmitting the ideas regarding Col Dumont's
Regt and the Regt organized under Col Will
Turner, I announced Major W. H. Garland
as Major in Col Dumont's Regt. & Major
J. B. Caze as Lieut Col. I was influenced in
this arrangement, by the condition of Major
Garland's Battalion, many of the men being
absent at their homes. I have since learned
to my satisfaction that Major Garland is
not responsible for the condition of his Bat-
talion, and that so soon as he was restored
to his command succeeded in filling his ranks.
The Major has high testimonials as to
his merit from Genl. Gardner and Beale
at Fort Hudson. Major J. B. Caze is the
junior of Major Garland and represented
who are excellent officers. Still I am con-
vinced that in the 1st order I did Major
Garland injustice and request that Major
Garland be made Lt Col & Major Caze
Major in the 14th Regt Composite Cavalry

I telegraphed yesterday requesting this change
as the order is now en route to Richmond

DECEASED SOLDIERS' CLAIMS.

INSTRUCTIONS AND FORMS.

I. The pay and allowances due to any deceased officer or enlisted man, is paid first, to the widow of the deceased if living, and if not, to the children, if any; and in default of widow or children, to the father, if living, and if not to the mother of the deceased.

II. If the child or children be minor, payment will be made to the guardian, upon the production of the proper certificate of guardianship, under the seal of the Court.

III. The claimant must produce his or her affidavit, and that of one disinterested witness, attesting the relationship. For instance, if the claimant be a mother, the affidavit must state that there is living neither wife, child, nor father of the deceased; if the father, that there is neither wife nor child; and if the child, that there is no wife. The magistrate, or other proper officer, must testify to the credibility of the witness, and the clerk of the Court must certify, under the seal of the same, that he is such magistrate.

IV. When there is an administrator, a certificate of the fact by the proper officer of the Court granting the same, under his seal of office, will be all that is necessary.

V. If within their knowledge, claimants should state where the officer or soldier was born, and place and from what cause he died, distinguishing those who were killed in battle, or died of wounds received in battle, from those who died of disease.

VI. When they can do so, claimants will name the captains and companies to which deceased belonged; also at what place and when they entered the service. They should always endorse on their papers, in plain writing, their address, naming Post Office, County and State.

VII. These instructions are substantially those adopted by the Second Auditor, and must be strictly complied with. Claims prepared as herein directed, should be forwarded to my address. After being recorded, they are transmitted for settlement to Col. W. H. S. TAYLOR, Second Auditor, at Richmond.

VIII. Where claimants have been furnished by company officers with the final statements of their deceased relatives, they should forward such statement with the claim; and it being essential to the production of a History of Mississippi Troops now in course of preparation, they are requested to furnish the undersigned with the full christian and surname of deceased, his age when enlisted, the place or county and State of his birth, when and where he first entered the service, the time and event of which he was a resident when enlisted; also, if known, in what actions he may have participated; if wounded, on what occasion and how, date and cause of death, etc.

IX. The form of Power of Attorney, may be used or not as the party may elect. In either case, the State will be duly furnished, and will be attended to as promptly as the business of the Second Auditor will allow; and the amounts found due will be remitted to the parties entitled as they may direct. Where parties prefer constituting me their attorney, I will collect the amount for them, and forward it to their address, making no charge for my services, the State having made ample provision for the same.
